

# Exo 18 Pendant

LED T20

## DESCRIPTION

With optional sizes ranging from a simple cube to exaggerated rectangular shades, the Exo LED pendant light from Tech Lighting yields the ultimate in minimalist form while secretly concealing a specification-grade, multifunction performance downlight within. Its high-performance output is harnessed by your choice of four field changeable optics ranging from a precise 20° beam perfect for task-oriented applications such as kitchen island lighting, to a wide 60° beam ideal for general illumination-minded applications such as hallway lighting, entry lighting or dining room lighting where it can be used in lieu of recessed downlights. Additional precision control is offered by way of integrated 0°-30° tool-free beam aiming. Finally, a truly customized look can be achieved with the Exo pendant light by selecting from its white, black or gold haze recessed trim color options. Includes 120-277 universal voltage 14 watt, 1119.8 delivered lumens, 2700K, 3000K or 3500K LED modules. Dimmable with most LED compatible ELV, TRIAC and 0-10V dimmers. Choice of 20°, 30°, 40° or 60° field changeable optics.
