

Installation Instructions

Important: Please read these instructions before starting work.

1. Check that there are no buried pipes or cables before drilling and holes. Take extreme care when using electrical equipment near water.
2. Do not fix accessories onto newly painted surfaces as chemical reactions could cause discoloration to the products. (Please refer to the manufactures instructions.)
3. We recommend the use of a specialized drill bit when fixing accessories to tiled areas.

Supplied Mounting hardware:

Silicon feet, screws and wall plugs

Mounting Instructions:

Please note: Item could be used freestanding or wall mounted.

1. Establish the position for the accessories, making sure there is sufficient room.
2. Measure the center to center distance of the mounting holes. Transfer measurements to wall. Ensure the marks are horizontal by use of a carpenter's level.
3. Drill holes to a depth of 1" inch using a ¼" inch drill bit and insert the wall plugs so they are flush with the wall.
4. Using the supplied screws, screw into the wall plug and tighten leaving 1/8" for accessory hanging.

Care Instructions:

We recommend regular cleaning with a mild soap and dried with a soft cloth. The use of abrasive cleaners or bleaches will damage the finish.
